401211	401211	401222	401241	401242
401419	401552	401416	401418	401213
401214	401219	401216	401217	401223
401245	401246	401420	401553	

TotalFlow Production Manager 4.2.3 will be released on the same date including support for MarcomCentral equivalent to the current support in TotalFlow Path.

Future releases of TotalFlow Production Manager will include support for Avanti Slingshot, using the new AIS technology. In a future release AIS will also include the ability for the regions to add integrations of region-specific 3<sup>rd</sup> party applications.

TotalFlow Path 4.1 will continue to be supported for 2 years following the effective date for end of marketing up to December 12, 2019.
