TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an

individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.
3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.
4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:
 - (a) You must give any other recipients of the Work or Derivative Works a copy of this License; and
 - (b) You must cause any modified files to carry prominent notices stating that You changed the files; and
 - (c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
 - (d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.
6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.
7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.
8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.
9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

Please read the different LICENSE files present in the root directory of this distribution.

Eclipse Public License - v 1.0

THE ACCOMPANYING PROGRAM IS PROVIDED UNDER THE TERMS OF THIS ECLIPSE PUBLIC LICENSE ("AGREEMENT"). ANY USE, REPRODUCTION OR DISTRIBUTION OF THE PROGRAM CONSTITUTES RECIPIENT'S ACCEPTANCE OF THIS AGREEMENT.

1. DEFINITIONS

"Contribution" means:

a) in the case of the initial Contributor, the initial code and documentation distributed under this Agreement, and

b) in the case of each subsequent Contributor:

i) changes to the Program, and

ii) additions to the Program;

where such changes and/or additions to the Program originate from and are distributed by that particular Contributor. A Contribution 'originates' from a Contributor if it was added to the Program by such Contributor itself or anyone acting on such Contributor's behalf. Contributions do not include additions to the Program which: (i) are separate modules of software distributed in conjunction with the Program under their own license agreement, and (ii) are not derivative works of the Program.

"Contributor" means any person or entity that distributes the Program.

"Licensed Patents" mean patent claims licensable by a Contributor which are necessarily infringed by the use or sale of its Contribution alone or when combined with the Program.

"Program" means the Contributions distributed in accordance with this Agreement.

"Recipient" means anyone who receives the Program under this Agreement, including all Contributors.

2. GRANT OF RIGHTS

a) Subject to the terms of this Agreement, each Contributor hereby grants Recipient a non-exclusive, worldwide, royalty-free copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, distribute and sublicense the Contribution of such Contributor, if any, and such derivative works, in source code and object code form.

b) Subject to the terms of this Agreement, each Contributor hereby grants Recipient a non-exclusive, worldwide, royalty-free patent license under Licensed Patents to make, use, sell, offer to sell, import and otherwise transfer the Contribution of such Contributor, if any, in source code and object code form. This patent license shall apply to the combination of the Contribution and the Program if, at the time the Contribution is added by the Contributor, such addition of the Contribution causes such combination to be covered by the Licensed Patents. The patent license shall not apply to any other combinations which include the Contribution. No hardware per se is licensed hereunder.

c) Recipient understands that although each Contributor grants the licenses to its Contributions set forth herein, no assurances are provided by any Contributor that the Program does not infringe the patent or other intellectual property rights of any other entity. Each Contributor disclaims any liability to Recipient for claims brought by any other entity based on infringement of intellectual property rights or otherwise. As a condition to exercising the rights and licenses granted hereunder, each Recipient hereby assumes sole responsibility to secure any other intellectual property rights needed, if any. For example, if a third party patent license is required to allow Recipient to distribute the Program, it is Recipient's responsibility to acquire that license before distributing the Program.

d) Each Contributor represents that to its knowledge it has sufficient copyright rights in its Contribution, if any, to grant the copyright license set forth in this Agreement.

3. REQUIREMENTS

A Contributor may choose to distribute the Program in object code form under its own license agreement, provided that:

a) it complies with the terms and conditions of this Agreement; and

b) its license agreement:

i) effectively disclaims on behalf of all Contributors all warranties and conditions, express and implied, including warranties or conditions of title and non-infringement, and implied warranties or conditions of merchantability and fitness for a particular purpose;

ii) effectively excludes on behalf of all Contributors all liability for damages, including direct, indirect, special, incidental and consequential damages, such as lost profits;

iii) states that any provisions which differ from this Agreement are offered by that Contributor alone and not by any other party; and

iv) states that source code for the Program is available from such Contributor, and informs licensees how to obtain it in a reasonable manner on or through a medium customarily used for software exchange.

When the Program is made available in source code form:

a) it must be made available under this Agreement; and

b) a copy of this Agreement must be included with each copy of the Program.

Contributors may not remove or alter any copyright notices contained within the Program.

Each Contributor must identify itself as the originator of its Contribution, if any, in a manner that reasonably allows subsequent Recipients to identify the originator of the Contribution.

4. COMMERCIAL DISTRIBUTION

Commercial distributors of software may accept certain responsibilities with respect to end users, business partners and the like. While this license is intended to facilitate the commercial use of the Program, the Contributor who includes the Program in a commercial product offering should do so in a manner which does not create potential liability for other Contributors. Therefore, if a Contributor includes the Program in a commercial product offering, such Contributor ("Commercial Contributor") hereby agrees to defend and indemnify every other Contributor ("Indemnified Contributor") against any losses, damages and costs (collectively "Losses") arising from claims, lawsuits and other legal actions brought by a third party against the Indemnified Contributor to the extent caused by the acts or omissions of such Commercial Contributor in connection with its distribution of the Program in a commercial product offering. The obligations in this section do not apply to any claims or Losses relating to any actual or alleged intellectual property infringement. In order to qualify, an Indemnified Contributor must: a) promptly notify the Commercial Contributor in writing of such claim, and b) allow

the Commercial Contributor to control, and cooperate with the Commercial Contributor in, the defense and any related settlement negotiations. The Indemnified Contributor may participate in any such claim at its own expense.

For example, a Contributor might include the Program in a commercial product offering, Product X. That Contributor is then a Commercial Contributor. If that Commercial Contributor then makes performance claims, or offers warranties related to Product X, those performance claims and warranties are such Commercial Contributor's responsibility alone. Under this section, the Commercial Contributor would have to defend claims against the other Contributors related to those performance claims and warranties, and if a court requires any other Contributor to pay any damages as a result, the Commercial Contributor must pay those damages.

5. NO WARRANTY

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE PROGRAM IS PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Each Recipient is solely responsible for determining the appropriateness of using and distributing the Program and assumes all risks associated with its exercise of rights under this Agreement, including but not limited to the risks and costs of program errors, compliance with applicable laws, damage to or loss of data, programs or equipment, and unavailability or interruption of operations.

6. DISCLAIMER OF LIABILITY

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER RECIPIENT NOR ANY CONTRIBUTORS SHALL HAVE ANY LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS), HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OR DISTRIBUTION OF THE PROGRAM OR THE EXERCISE OF ANY RIGHTS GRANTED HEREUNDER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7. GENERAL

If any provision of this Agreement is invalid or unenforceable under applicable law, it shall not affect the validity or enforceability of the remainder of the terms of this Agreement, and without further action by the parties hereto, such provision shall be reformed to the minimum extent necessary to make such provision valid and enforceable.

If Recipient institutes patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Program itself (excluding combinations of the Program with other software or hardware) infringes such Recipient's patent(s), then such Recipient's rights granted under Section 2(b) shall terminate as of the date such litigation is filed.

All Recipient's rights under this Agreement shall terminate if it fails to comply with any of the material terms or conditions of this Agreement and does not cure such failure in a reasonable period of time after becoming aware of such noncompliance. If all Recipient's rights under this Agreement terminate, Recipient agrees to cease use and distribution of the Program as soon as reasonably

practicable. However, Recipient's obligations under this Agreement and any licenses granted by Recipient relating to the Program shall continue and survive.

Everyone is permitted to copy and distribute copies of this Agreement, but in order to avoid inconsistency the Agreement is copyrighted and may only be modified in the following manner. The Agreement Steward reserves the right to publish new versions (including revisions) of this Agreement from time to time. No one other than the Agreement Steward has the right to modify this Agreement. The Eclipse Foundation is the initial Agreement Steward. The Eclipse Foundation may assign the responsibility to serve as the Agreement Steward to a suitable separate entity. Each new version of the Agreement will be given a distinguishing version number. The Program (including Contributions) may always be distributed subject to the version of the Agreement under which it was received. In addition, after a new version of the Agreement is published, Contributor may elect to distribute the Program (including its Contributions) under the new version. Except as expressly stated in Sections 2(a) and 2(b) above, Recipient receives no rights or licenses to the intellectual property of any Contributor under this Agreement, whether expressly, by implication, estoppel or otherwise. All rights in the Program not expressly granted under this Agreement are reserved.

This Agreement is governed by the laws of the State of New York and the intellectual property laws of the United States of America. No party to this Agreement will bring a legal action under this Agreement more than one year after the cause of action arose. Each party waives its rights to a jury trial in any resulting litigation.

Enfocus NV License Agreement for Enfocus Products

ENFOCUS NV IS WILLING TO LICENSE ITS SOFTWARE TO YOU, UNDER THE TERMS SET OUT BELOW, AND ONLY ON CONDITION THAT YOU ACCEPT ALL OF THESE TERMS. THE OPENING OF THE PACKAGE OF THIS SOFTWARE, THE INSTALLING, USING, ACCESSING, DISPLAYING OR RUNNING OF THIS SOFTWARE CONSTITUTES YOUR ACCEPTANCE OF THESE TERMS WHICH WILL BIND YOU TO THEM.

The Enfocus Products include the machine readable computer software (the "Software") and the standard user documentation for the software (the "Documentation") (together called the "Software Product"). All trademarks, service marks, patents, copyrights, trade secrets and other proprietary rights in or related to the Software Product are and will remain the exclusive property of Enfocus NV and its suppliers, whether or not specifically recognized or perfected under local applicable law. Enfocus NV and its suppliers reserve all rights not expressly granted to you in this Agreement. This Agreement does not constitute a sale of the Software Product or any copy thereof. You will not take any action that jeopardizes our or our suppliers' proprietary rights or acquire any rights in the Software Product, except the limited use rights granted in this Agreement. You explicitly agree not to remove any copyright notice or proprietary legend of Enfocus NV or its suppliers on the Software Product.

In accordance with all terms of this Agreement, you are not granted a License to the Software Product, unless you lawfully obtained and registered in the License Panel an original Software License String from Enfocus NV ("Authorized User"). You need to enter the online registration form to become a registered Authorized User. If you acquired a single-user License, you are granted a personal, non-transferable, and non-exclusive license (the "License") to install, use, access, display and run one single copy of the machine readable version of the Software

on one single computer (the "Licensed Computer"). The Software may not be installed on more than one computer, nor used, accessed, displayed or run concurrently or simultaneously on more than one computer. You are not allowed to sell, transfer, sub-license, distribute or otherwise make available the Software License String to any other person or entity. If you acquired a multi-user License, we hereby grant you a license to install, use, access, display and run the machine readable version of the Software on as many Licensed Computers as the permitted amount of licensed users as specified in Addendum A, which may be obtained by sending Enfocus NV a written request to this respect. The Software may not be installed, nor used, accessed, displayed or run concurrently or simultaneously in excess of the permitted amount of licensed users. You are allowed to install the Software on a server computer in a local area computer network system, in which case the Software may not be concurrently or simultaneously used, accessed, displayed or run in excess of the permitted amount of licensed users. You are not allowed to sell, transfer, sub-license, distribute or otherwise make available the Software License String to any other person or entity. If you acquired a pack License, we hereby grant you the right to distribute for free or against a fee the individual original copies from the acquired pack. You are not allowed to distribute non-original copies. If you distribute copies against a fee, the distribution price shall in no event be higher than the price per copy in the pack you acquired. The above right to distribute is limited to the individual original copies contained in a pack License, and you are not granted the right to distribute any other Enfocus Products. All Page 2/5 copies distributed should remain in the state they were received in the pack (including original packaging, license agreement, Product Key, etc.). The persons you distribute copies from the pack to will be bound to this license agreement. Subject to all terms of this Agreement, you are allowed to use the Software on the Licensed Computers to process data which is received from computers other than the Licensed Computers, and/or to make available the information regarding the processing of that data. Information regarding the processing includes the results, report documents and any other knowledge (including for example the positioning of the output document) derived from processing of data by the Software. It is not allowed to make available information regarding the processing of data as a commercial service, such as, but not limited to, preflight on-line, pay per preflight, subscription based preflighting, etc. However, a non-commercial service, such as providing the preflight reports to your PDF document creators is allowed. You are not allowed to sell, resell, transfer, assign, license, sub-license, rent, lease or lend the Software Product. Subject to the other provisions of this Agreement, you are not authorized to copy, modify, adapt or translate the Software Product or any part thereof, nor to create derivative works based on the Software Product or any part thereof, nor shall you permit any third party to do any of the foregoing. You hereby explicitly undertake not to decompile, reverse engineer or otherwise disassemble the Software or any part thereof, nor otherwise attempt to derive the source code there from, unless and to the extent such is legally permitted notwithstanding this contractual prohibition. In the latter case, you undertake to notify Enfocus NV prior to any such intended decompilation, reverse engineering or disassembling, and to send Enfocus NV a written and detailed request to provide you with the necessary information. Subject to the other provisions of this Agreement, you may make one backup archival copy of the Software, provided that such is only to be used for backup purposes and the use thereof is subject to all other provisions of this Agreement. You will reproduce all confidentiality and proprietary notices on this copy and maintain an accurate record of the location of the copy. You acknowledge that the Software Product incorporates confidential and proprietary information developed or acquired by or licensed to Enfocus NV. You will take all reasonable precautions necessary to safeguard the confidentiality of the Software

Product, including (i) those you take to protect your own confidential information and (ii) those which we may reasonably request from time to time. You will not allow the removal or defacement of any confidentiality or proprietary notice placed on the Software Product. The placement of copyright notices on these items will not constitute publication or otherwise impair their confidential nature.

You will not disclose, in whole or in part, any item of the Software Product that has been designated as confidential to any individual, entity or other person, except to those of your employees or consultants who (i) require access for your authorized use of the Software Product and (ii) agree to comply with the use and non-disclosure restrictions applicable to the Software Product under this Agreement. You acknowledge that any unauthorized use or disclosure of the Software Product may cause irreparable damage to us and our suppliers. If an unauthorized use or disclosure occurs, you will immediately notify us and take, at your expense, all steps which may be available to recover the Software Product and to prevent their subsequent unauthorized use or dissemination.

You will have no confidentiality obligation with respect to any portion of the Software Product that (i) you knew or independently developed before receiving the Software Product under this Agreement, (ii) you lawfully obtained from a third party under no confidentiality obligation or (iii) became available to the public other than as a result of any act or omission by you or any of your employees or consultants. The suppliers of Enfocus NV are intended third party beneficiaries of this License Agreement, and Enfocus NV and its suppliers are, individually or jointly, entitled to enforce this License Agreement in their own name against the licensee.

ENFOCUS NV AND ITS SUPPLIERS WILL NOT BE LIABLE FOR ANY GENERAL, SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR OTHER DAMAGES ARISING OUT OF THE LICENSE OF THE SOFTWARE, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, EXCEPT IN THE CASE OF WILLFUL MISCONDUCT OR FRAUD ON THE PART OF ENFOCUS NV OR ITS SUPPLIERS. SHOULD A COURT OF COMPETENT JURISDICTION HOLD ENFOCUS NV OR ITS SUPPLIERS LIABLE FOR DAMAGES, THE LIABILITY, IF ANY, OF ENFOCUS NV AND ITS SUPPLIERS WILL IN ANY EVENT BE

LIMITED TO THE AMOUNT YOU ACTUALLY PAID FOR THIS LICENSE TO USE THE SOFTWARE PRODUCTS.

ENFOCUS NV AND ITS SUPPLIERS WILL IN NO EVENT BE LIABLE FOR ANY DAMAGES, WHICH ARE ALSO CAUSED BY YOUR FAULT, OR THE FAULT OF THE PERSONS WHOM YOU PERMIT TO USE THE SOFTWARE PRODUCTS. THE FOREGOING LIMITATIONS ON LIABILITY APPLY TO THE WARRANTIES AND DISCLAIMERS ABOVE AND ALL OTHER ASPECTS OF THIS AGREEMENT. THIS SECTION WILL NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW SPECIFICALLY REQUIRES LIABILITY, DESPITE THE FOREGOING EXCLUSION AND LIMITATION.

If any claim is made against you by a third party alleging that the use of the Software Product infringes intellectual property rights belonging to that third party, you shall inform Enfocus NV thereof within seven days and you shall not take any step in legal proceedings without the prior written consent of Enfocus NV. Enfocus NV will assume the responsibility for defending or settling any such claim at its expense. In the event of an infringement claim, Enfocus NV may, at its option and expense, (i) procure the right for continue using the Software Product, (ii) supply a version of the Software Product with similar functionalities and of similar or higher quality, without infringing such claimed rights, or (iii) accept the return of the Software Product and refund to you the amount

actually paid for such Software Product, less depreciation based on a 5-year straight-line depreciation schedule. Enfocus NV shall have no indemnity obligation under this Agreement if the infringement claim results from (i) a correction or modification of the Software Product not provided by Enfocus NV, (ii) your failure to promptly install an update that eliminates the infringement or (iii) the combination of the Software Product with non-Enfocus Products. Enfocus NV warrants that the Software will perform substantially in accordance with the functions described in the Documentation (the "Performance"), when operated properly and in the manner specified in the Documentation for a period of ninety (90) days following your receipt of the Software ("Limited Warranty"). Enfocus NV does not warrant that the Software will meet your requirements or that its performance will be uninterrupted or error-free. Enfocus NV shall have no liability for any claim which is based upon the use of any part of the Software in combination with materials or software not provided by Enfocus NV. Any complaint regarding the Performance has to be made by registered letter within ninety (90) days from the date of receipt by you of the Software. Enfocus NV and its suppliers do not accept any liability whatsoever regarding the Performance after the aforementioned ninety (90) day period. In case of breach of the Limited Warranty, Enfocus NV' and its suppliers' only liability and your exclusive remedy shall be, at Enfocus NV' option, return of the price paid (if any) for the Software less depreciation based on a 5-year straight-line depreciation schedule, or repair or replacement of the Software that does not meet the aforementioned Limited Warranty and that is returned to Enfocus NV with a copy of your receipt. If, for any reason, you return any materials to your point of sale or to Enfocus NV, you bear the risk of loss, misplacement or damage of said materials.

ENFOCUS NV AND ITS SUPPLIERS MAKE NO OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, REGARDING THE SOFTWARE PRODUCT, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, OR THEIR EQUIVALENT UNDER THE LAWS OF ANY JURISDICTION AND HEREBY OVERRIDE, EXCLUDE AND DISCLAIM ANY SUCH WARRANTIES.

Payment - All license fees are exclusive of any applicable use, sales, service, property or other taxes which you will pay in addition to the amount due and payable. They have to be paid in the currency and by the date specified on the invoice. Except in case of duly proven force majeure, any disputes concerning invoices and bills must be communicated to Enfocus NV by registered letter, clearly stating the reason of dispute, at the latest within 8 days following receipt of the invoice or bill. After this term has expired, the invoice or bill will be considered accepted and any other dispute will be inadmissible. Due date payment - unless otherwise expressly agreed in writing, payment shall be made in full in the currency specified by, and within thirty (30) days of the date of, the invoice.

Non-payment - Outstanding invoices and bills which remain unpaid on the day after their due date, will be increased, automatically and without requiring a prior notice of default, by a lump-sum compensation of 15% (fifteen per cent), with a minimum of 125 euro and a maximum of 2500 euro, as well as by a contractual interest at an annual rate which corresponds to the higher of (a) the rate which is calculated according to article 5 of the Belgian Law of 2 August 2002 (Wet van 2 augustus 2002 betreffende de bestrijding van de betalingsachterstand bij handelstransacties), and (b) the then applicable statutory interest rate in Belgium, increased with 200 points (2%). The interest shall apply until the full payment of any outstanding and payable sum due to Enfocus NV. Partial payments are

always first set off against the payable interest, then against the cost of collection, and only in the last instance against the outstanding principal. The above does not affect the right of Enfocus NV to claim compensation for all invoicing costs according to article 6 of the intended Law of 2 August 2002. In the event of continued disagreement as to the interpretation or performance of this Agreement, the parties expressly assign jurisdiction to the courts and tribunals of the judicial district of the Enfocus NV head office. This License Agreement shall be governed by the laws of Belgium.

You may terminate this Agreement, without right to refund, by notifying Enfocus NV of such termination. Without prejudice to other rights, Enfocus NV may cancel this Agreement upon reasonable notice if you breach any of the terms and conditions of this Agreement. This Agreement will terminate automatically if you become insolvent or enter into bankruptcy, suspension of payments, reorganization or any other proceeding that relates to insolvency or protection of creditors' rights. Upon termination of this Agreement for any reason, all rights granted to you hereunder will cease and you must promptly destroy all copies of the Software Product and all of its component parts and return to Enfocus NV the original devices on which the Software Product was delivered. During the term of this Agreement, Enfocus NV or its representative may, upon prior notice to you, inspect your files, computer processors, equipment and facilities during normal working hours to verify your compliance with this Agreement. While conducting such inspection, we may copy any item that you possess in violation of this Agreement.

U.S. Export Restrictions. You acknowledge that the Software Product and all related technical information, documents and materials are subject to export controls under the U.S. Export Administration Regulations. You will (i) comply strictly with all legal requirements established under these controls, (ii) cooperate fully with Enfocus NV in any official or unofficial audit or inspection that relates to these controls and (iii) not export, re-export, divert or transfer, directly or indirectly, any such item or direct products thereof to any country that is embargoed by Executive order unless you have obtained the prior written authorization of Enfocus NV and the U.S. Commerce Department. The Software and Documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software."

Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restriction set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software - Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor is Enfocus NV, Kortrijksesteenweg 1095, B-9051 Gent, BELGIUM. 14. GENERAL TERMS

14.1 The Terms constitute the entire agreement between You and Flexera Software relating to their subject matter, and cancel and supersede any prior versions of the Terms. No modification to the Terms will be binding, unless in writing and signed by an authorized Flexera Software representative. You must not assign or otherwise transfer the Terms or any right granted hereunder. You also may be subject to additional terms and conditions that may apply when You use Flexera Software or third-party products or services.

14.2 You agree that any material breach of Sections 2, 3, 4, 6, and 10 of the Terms will result in irreparable harm to Flexera Software for which damages would be an inadequate remedy and, therefore, in addition to its rights and remedies otherwise available at law, Flexera Software will be entitled to equitable relief, including both a preliminary and permanent injunction, if such a breach occurs. You waive any requirement for the posting of a bond or other security if Flexera Software seeks such an injunction.

14.3 California law and controlling U.S. federal law govern any action related to the Terms and/or Your use of the Website. Choice of law rules of any jurisdiction and the United Nations Convention on Contracts for the International Sale of Goods will not apply to any dispute under the Terms. You and Flexera Software agree to submit to the personal and exclusive jurisdiction of the courts located within the county of Santa Clara, California, U.S.A.

14.4 Services, Content, and product derived or obtained from this Website may be subject to the U.S. export laws and the export or import laws of other countries. Such forward-looking statements may include statements regarding market expectations and opportunities, expectations about financials, research and development and strategies, statements concerning Flexera Software's roadmaps, market share growth, and product and service development and introduction, and our continuous evaluation of the competitiveness of our product and service offerings. These forward-looking statements are just predictions and involve risks and uncertainties. Actual results may differ materially from results discussed in the forward-looking statements. Factors that may cause such a difference include risks related to adverse changes in general economic conditions, failure to reduce costs, lack of success in technical advancements, the timely development, production and acceptance of new products and services, and Flexera Software's ability to compete in a rapidly changing marketplace.

14.7 Any express waiver or failure to exercise promptly any right under the Terms will not create a continuing waiver or any expectation of non-enforcement. If any provision of the Terms is held invalid by any law or regulation of any government, or by any court or arbitrator, the parties agree that such provision will be replaced with a new provision that accomplishes the original business purpose, and the other provisions of the Terms will remain in full force and effect.

Each Contributor hereby grants You a world-wide, royalty-free, non-exclusive license:

- a. under intellectual property rights (other than patent or trademark) Licensable by such Contributor to use, reproduce, make available, modify, display, perform, distribute, and otherwise exploit its Contributions, either on an unmodified basis, with Modifications, or as part of a Larger Work; and
- b. under Patent Claims of such Contributor to make, use, sell, offer for sale, have made, import, and otherwise transfer either its Contributions or its Contributor Version.

2.2. Effective Date

The licenses granted in Section 2.1 with respect to any Contribution become effective for each Contribution on the date the Contributor first distributes such Contribution.

2.3. Limitations on Grant Scope

The licenses granted in this Section 2 are the only rights granted under this License. No additional rights or licenses will be implied from the distribution or licensing of Covered Software under this License. Notwithstanding Section 2.1(b) above, no patent license is granted by a Contributor:

- a. for any code that a Contributor has removed from Covered Software; or
- b. for infringements caused by: (i) Your and any other third party's modifications of Covered Software, or (ii) the combination of its Contributions with other software (except as part of its Contributor Version); or
- c. under Patent Claims infringed by Covered Software in the absence of its Contributions.

This License does not grant any rights in the trademarks, service marks, or logos of any Contributor (except as may be necessary to comply with the notice requirements in Section 3.4).

2.4. Subsequent Licenses

2.5. Representation

Each Contributor represents that the Contributor believes its Contributions are its original creation(s) or it has sufficient rights to grant the rights to its Contributions conveyed by this License.

2.6. Fair Use

This License is not intended to limit any rights You have under applicable copyright doctrines of fair use, fair dealing, or other equivalents.

2.7. Conditions

Sections 3.1, 3.2, 3.3, and 3.4 are conditions of the licenses granted in Section 2.1.

3. Responsibilities

3.1. Distribution of Source Form

All distribution of Covered Software in Source Code Form, including any Modifications that You create or to which You contribute, must be under the terms of this License. You must inform recipients that the Source Code Form of the Covered Software is governed by the terms of this License, and how they can obtain a copy of this License. You may not attempt to alter or restrict the recipients' rights in the Source Code Form.

3.2. Distribution of Executable Form

If You distribute Covered Software in Executable Form then:

- a. such Covered Software must also be made available in Source Code Form, as described in Section 3.1, and You must inform recipients of the Executable Form how they can obtain a copy of such Source Code Form by reasonable means in a timely manner, at a charge no more than the cost of distribution to the recipient; and

- b. You may distribute such Executable Form under the terms of this License, or sublicense it under different terms, provided that the license for the Executable Form does not attempt to limit or alter the recipients' rights in the Source Code Form under this License.

3.3. Distribution of a Larger Work

You may create and distribute a Larger Work under terms of Your choice, provided that You also comply with the requirements of this License for the Covered Software. If the Larger Work is a combination of Covered Software with a work governed by one or more Secondary Licenses, and the Covered Software is not Incompatible With Secondary Licenses, this License permits You to additionally distribute such Covered Software under the terms of such Secondary License(s), so that the recipient of the Larger Work may, at their option, further distribute the Covered Software under the terms of either this License or such Secondary License(s).

3.4. Notices

You may not remove or alter the substance of any license notices (including copyright notices, patent notices, disclaimers of warranty, or limitations of liability) contained within the Source Code Form of the Covered Software, except that You may alter any license notices to the extent required to remedy known factual inaccuracies.

3.5. Application of Additional Terms

You may choose to offer, and to charge a fee for, warranty, support, indemnity or liability obligations to one or more recipients of Covered Software. However, You may do so only on Your own behalf, and not on behalf of any Contributor. You must make it absolutely clear that any such warranty, support, indemnity, or liability obligation is offered by You alone, and You hereby agree to indemnify every Contributor for any liability incurred by such Contributor as a result of warranty, support, indemnity or liability terms You offer. You may include additional disclaimers of warranty and limitations of liability specific to any jurisdiction.

4. Inability to Comply Due to Statute or Regulation

If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Covered Software due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the code they affect. Such description must be placed in a text file included with all distributions of the Covered Software under this License. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.

5. Termination

5.1. The rights granted under this License will terminate automatically if You fail to comply with any of its terms. However, if You become compliant, then the rights granted under this License from a particular Contributor are reinstated (a) provisionally, unless and until such Contributor explicitly and finally terminates Your grants, and (b) on an ongoing basis, if such Contributor fails to notify You of the non-compliance by some reasonable means prior to 60 days after You have come back into compliance. Moreover, Your grants from a particular Contributor are reinstated on an ongoing basis if such Contributor notifies You of the non-compliance by some reasonable means, this is the first time You have received notice of non-compliance with this License from such Contributor, and You become compliant prior to 30 days after Your receipt of the notice.

5.2. If You initiate litigation against any entity by asserting a patent infringement claim (excluding declaratory judgment actions, counter-claims, and cross-claims) alleging that a Contributor Version directly or indirectly infringes any patent, then the rights granted to You by any and all Contributors for the Covered Software under Section 2.1 of this License shall terminate.

5.3. In the event of termination under Sections 5.1 or 5.2 above, all end user license agreements (excluding distributors and resellers) which have been validly granted by You or Your distributors under this License prior to termination shall survive termination.

6. Disclaimer of Warranty

Covered Software is provided under this License on an “as is” basis, without warranty of any kind, either expressed, implied, or statutory, including, without limitation, warranties that the Covered Software is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the Covered Software is with You. Should any Covered Software prove defective in any respect, You (not any Contributor) assume the cost of any necessary servicing, repair, or correction. This disclaimer of warranty constitutes an essential part of this License. No use of any Covered Software is authorized under this License except under this disclaimer.

7. Limitation of Liability

Under no circumstances and under no legal theory, whether tort (including negligence), contract, or otherwise, shall any Contributor, or anyone who distributes Covered Software as permitted above, be liable to You for any direct, indirect, special, incidental, or consequential damages of any character including, without limitation, damages for lost profits, loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if such party shall have been informed of the possibility of such damages. This limitation of liability shall not apply to liability for death or personal injury resulting from such party’s negligence to the extent applicable law prohibits such limitation. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not apply to You.

8. Litigation

Any litigation relating to this License may be brought only in the courts of a jurisdiction where the defendant maintains its principal place of business and such litigation shall be governed by laws of that jurisdiction, without reference to its conflict-of-law provisions. Nothing in this Section shall prevent a party’s ability to bring cross-claims or counter-claims.

9. Miscellaneous

This License represents the complete agreement concerning the subject matter hereof. If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. Any law or regulation which provides that the language of a contract shall be construed against the drafter shall not be used to construe this License against a Contributor.

10. Versions of the License

10.1. New Versions

Mozilla Foundation is the license steward. Except as provided in Section 10.3, no one other than the license steward has the right to modify or publish new versions of this License. Each version will be given a distinguishing version number.

10.2. Effect of New Versions

You may distribute the Covered Software under the terms of the version of the License under which You originally received the Covered Software, or under the terms of any subsequent version published by the license steward.

10.3. Modified Versions

YOUR ATTENTION IS DRAWN TO ARTICLES 9 AND 10 WHICH LIMITS OUR LIABILITY TO YOU

1 GENERAL

1.1 These General Sales Terms and Conditions shall apply to products and related services (hereafter jointly the "Products") manufactured and/or provided by Gemalto U.K. Ltd. a company organized and existing under the laws of United Kingdom (hereafter "GEMALTO") to a customer (hereafter the "Buyer"). Any proposal or form of proposal howsoever (hereafter the "Proposal") made by GEMALTO to the Buyer for its Products shall be governed by these General Sales Terms and Conditions which, unless expressly otherwise agreed in writing, shall prevail in the event of a discrepancy with any other written or oral agreement between GEMALTO and the Buyer.

1.2 The Proposal, including without limitation, commercial, technical and financial documents sent to the Buyer together with these General Sales Terms and Conditions, shall be valid for a period of thirty (30) days from the date of its issuance, unless extended by GEMALTO by written notice to the Buyer.

1.3 The Buyer's written acceptance of the Proposal and/or the placement of an order in writing by the Buyer (hereafter the "Order") shall be deemed the Buyer's unconditional and irrevocable agreement to these General Sales Terms and Conditions and the waiver of the Buyer's own purchase terms and conditions or any other similar document. The Buyer shall ensure that the terms of its Order and any applicable specification are complete and accurate.

1.4 The Proposal may be subject to alteration and withdrawal by written notice of GEMALTO to the Buyer at any time unless a contract arising therefrom (hereafter the "Contract") has been executed in writing by the Buyer's and GEMALTO's duly empowered representatives.

1.5 If the Buyer accepts the Proposal with additions, modifications, qualifications or assumptions, such acceptance shall be considered a new offer by the Buyer. Any such new offer shall only be binding upon GEMALTO if and to the extent it is accepted in writing by GEMALTO. Whether the Order was preceded or not by a Proposal, the Contract shall not be deemed binding unless the Buyer has received written acceptance of the Order from GEMALTO, both concerning the Order, and where applicable, the additions, modifications, qualifications or assumptions thereto (hereafter the "Order Acceptance"). In the event of a discrepancy between the Order and the Order Acceptance, the Order Acceptance shall prevail and determine the terms of the Contract. No Order may be canceled or modified after the date of issuance of the Order Acceptance, except with the prior written approval of GEMALTO and provided that all costs resulting therefrom shall be borne by the Buyer.

1.6 The Contract shall consist of: An agreement signed by both parties and/or the Order and its Order Acceptance agreed upon by both parties, including, as the case may be, any complementary specific and/or special conditions of sale; These General Sales Terms and Conditions, which form an integral part of the Contract.

1.7 The Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).

1.8 The Contract constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements and understandings (whether oral, in writing or any other form) between the parties. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of GEMALTO which is not set out in the Contract. Nothing in this Article shall exclude or limit GEMALTO's liability for fraudulent misrepresentation.

2. DOCUMENTATION

2.1 The weight, dimensions, size, performance and other specifications of the Products provided for in the technical or commercial documentation (hereafter the "Documentation") of GEMALTO are of an indicative nature only and are not contractually binding unless expressly indicated so by GEMALTO in the Order Acceptance and / or provided in the Contract. This is not a sale by sample.

2.2 The Documentation provided to the Buyer remains the exclusive property of GEMALTO and may not be communicated, copied or reproduced by the Buyer without the prior written authorization of GEMALTO.

2.3 Subject to the terms of the Contract, the Buyer is granted a non-exclusive, non-transferable and non-assignable right to use the Documentation. The Buyer agrees to limit access to the Documentation to those employees who require such access in order to use the Products. The Buyer will not make available or disclose any information concerning the Documentation to any other person without the prior written consent of GEMALTO. The obligations expressed in this provision shall remain binding upon the Buyer even after completion or termination of the Contract. The Buyer shall take all the same precautions to maintain the confidentiality of the Documentation as those employed to protect its own proprietary information.

3. TERMS OF SALE

3.1 The minimum quantity of any Order or Contract shall be of two hundred (200) Products (one thousand (1000), in case of cards) and the minimum price for a batch of any given Product to be delivered under any Order or Contract shall be two thousand pounds sterling (GBP 2'000).

3.2 Unless otherwise agreed in writing, all sales of the Products between the parties are deemed concluded "EXW loaded" GEMALTO's premises as further specified in the Order Acceptance and / or the Contract.

3.3 The term "EXW loaded or any other term used to define the terms of sale provided for in the Contract shall be interpreted in accordance with the INCOTERMS 2000 published by the International Chamber of Commerce.

3.4 The carrying out of operations at the request of the Buyer by GEMALTO other than those required by the terms of sale established by the Contract shall in no way modify either the type of sale nor the content of the Contract: the request of the Buyer to carry out such operations necessarily implies that GEMALTO will act in the name of and on behalf of the Buyer. Such operations and the resulting costs will be invoiced separately to the Buyer who agrees to pay GEMALTO upon receipt of the relevant invoice. In particular, in the event of a sale "EXW loaded", GEMALTO shall remain independent from the contract of

carriage even when it may assist, in any manner whatsoever, in the activities of loading or storage to facilitate the task of the carrier.

4. DELIVERY

4.1 Except in the event of provisions to the contrary included in the Order Acceptance and / or the Contract or otherwise agreed in writing, the delivery schedule shall be calculated from the last of the following dates:

4.4 Subject to Article 9, the Products delivered in accordance with an Order are definitively transferred and may not be either returned or exchanged except in the event of a provision to the contrary.

4.5 GEMALTO reserves the right to make partial and/or anticipated deliveries with partial invoicing for the relevant amount. In particular, GEMALTO reserves the right, for any given Order or Contract, to deliver quantities that may differ from the quantity ordered by the Buyer by up to ten percent (10%), more or less and the Buyer undertakes to pay the price corresponding to the quantity of Products effectively delivered by GEMALTO within that tolerance.

4.6 For each Order of cards products, primary colors will be created by Gemalto and printed on the cards products on the basis of the proof (i.e. the initial reproduction of the artwork of the concerned cards sent by GEMALTO to the Buyer in electronic or paper format) signed by the Buyer. All other colors will be created and printed on the basis of the pantone colors chart available in each Gemalto production site. The difference between on the one hand, for the primary colors the proof and for the other colors the pantone colors chart, and on the other hand the colors printed on the card products shall be measured with a spectrophotometer and will not exceed +/- 3.5 in the CIE 94 colorimetric space (2.1.1) D65/10.

4.7 Should the delivery of the Products or any part thereof be postponed either at Buyer's request or for any reason not attributable to GEMALTO, GEMALTO shall be entitled to store the Products or any part thereof at Buyer's risks and expenses including without limitation the costs of storage and insurance. The date of storage shall be deemed to be the date of delivery. In such a case, GEMALTO shall issue and sign a warehouse certificate discharging GEMALTO of all liabilities incurred in connection with such storage.

4.8 The quantity of any consignment of Products as recorded by GEMALTO on despatch from GEMALTO's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.

4.9 Any liability of GEMALTO for non-delivery of the Products shall be limited to either replacing the Products within a reasonable time or issuing a credit note at the prorata Contract rate against any invoice raised for such Products at GEMALTO's discretion.

5. TRANSFER OF RISKS AND TITLE

5.1 Risk in the Products shall pass to the Buyer in accordance with the Incoterm elected for delivery thereof.

5.2 Title to the Products shall vest in the Buyer at the time of delivery.

6. PRICE

6.1 Except in the event of provisions to the contrary included in the Order Acceptance, the prices for the Products specified in the Proposal and Order Acceptance of GEMALTO are fixed and firm for the Contract performance according to the terms and conditions herein contained.

6.2 The prices hereunder set forth are quoted in pounds sterling (GBP), which will be the invoicing and payment currency.

6.3 All prices of Products and/or parts thereof to be delivered by GEMALTO under the Contract are to be understood "EXW loaded", GEMALTO premises, according to the INCOTERMS 2000 of the International Chamber of Commerce.

6.4 Without prejudice to the above-mentioned INCOTERMS, all prices hereunder are exclusive of all taxes, customs duties, levies and other charges whatsoever which the Buyer shall pay in addition when it is due to pay for the Products

6.5 Except in the event of provisions to the contrary included in the Order Acceptance, all prices are valid for thirty (30) days starting with their date of issuance, unless extended by GEMALTO by written notice to the Buyer.

7.1 Except in the event of provisions to the contrary included in the Order Acceptance, the price of the Contract shall be payable in the currency of the country where GEMALTO has its registered headquarter according to the following terms.

7.1.1 If Buyer has its registered headquarter in the European Economic Area

- Down payment: the Buyer shall pay GEMALTO an amount equal to thirty percent (30%) of the Contract price against remittance by GEMALTO of a proforma invoice for the amount mentioned hereabove; the said down payment shall constitute a condition precedent to the coming into force of the Contract and shall be paid by direct bank transfer to the bank nominated in writing by GEMALTO to the Buyer.
- Balance of the Contract price: The all payments shall be made through direct bank transfer to the bank nominated in writing by GEMALTO to the Buyer within thirty (30) days from the date of issuance by GEMALTO of the relevant invoice.

7.1.2 If Buyer has its registered headquarter outside the European Economic Area

- Down payment: the Buyer shall pay GEMALTO an amount equal to thirty percent (30%) of the Contract price against remittance by GEMALTO of a proforma invoice for the amount mentioned hereabove; the said down payment shall constitute a condition precedent to the coming into force of the Contract and shall be paid by direct bank transfer to the bank nominated in writing by GEMALTO to the Buyer.
Balance of the Contract price: The remainder of the Contract price shall be paid through an irrevocable, transferable, divisible, extendible and confirmed documentary credit (herein referred to as the "Documentary Credit") allowing partial shipments to be opened, as a condition of Contract coming into force, at the Buyer's expense within thirty (30) days following the date of the signature of the Contract. The Documentary Credit shall be opened by a first class bank in the Buyer's Country, notified, confirmed and payable to GEMALTO by its said bank. The said

Documentary Credit shall be valid for the period of delivery of the Products and shall be extended without any further instructions by three (3) months periods at GEMALTO's request in order to allow its complete drawing. The Documentary Credit shall be construed in accordance with the Uniform Customs and Practice for Documentary Credit of the International Chamber of Commerce (UCP 600).

7.2 Early payment shall not result in the granting of any reduction in the price by GEMALTO. No payment shall be deemed to have been received until GEMALTO has received cleared funds.

7.3 In the event Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to GEMALTO, GEMALTO may, without limitation, (i) postpone the fulfillment of its own obligations until full payment of the sums due to GEMALTO under the terms of the Contract; (ii) charge the Buyer interest on such sum from the due date for payment at the annual rate of 5 % above the base lending rate from time to time of Barclays Bank Plc, accruing on a daily basis until payment is made, whether before or after any judgment. GEMALTO reserves the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998; (iii) terminate the Contract upon the expiry of a seven calendar (7) day written notice from GEMALTO to the Buyer.

7.4 Time for payment shall be of the essence. In the event of a payment delay by the Buyer, GEMALTO may also require for any new delivery (regardless of the conditions that may have been agreed), payment prior to shipment or suspend or cancel any pending Contract or Order without incurring any liabilities whatsoever.

7.5 GEMALTO reserves the right to establish, at any time, a limit for outstanding credit in favor of the Buyer, and adapt the applicable payment periods accordingly.

7.6 No discount will be accepted for advance payments except in case of prior written consent between the parties.

7.7 All payments payable to GEMALTO under the Contract shall become due immediately on its termination despite any other provision.

7.8 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by GEMALTO to the Buyer.

8. ACCEPTANCE TESTING

8.1 If an acceptance testing procedure is provided for in the Contract, an acceptance testing shall be carried out, after completion of manufacture and before delivery of the Products, at the premises of GEMALTO, within a maximum period of fifteen (15) calendar days from the date of issuance of the written notice for acceptance testing sent by GEMALTO. Any acceptance testing will be at the expense of the Buyer and performed in accordance with the GEMALTO standard testing procedures then in force.

8.2 The Buyer shall have the right to attend the acceptance testing subject to written notification to GEMALTO of the names and biodata of its representatives at least three (3) calendar days prior to the above-mentioned anticipated date. Failure of the Buyer to attend shall not delay or prevent the performance of such acceptance testing. GEMALTO may subsequently carry out the acceptance testing, in accordance with article 8.1, the terms of which will thereafter be deemed completed.

8.3 Upon completion of the acceptance testing, GEMALTO shall issue, sign and submit to the Buyer's signature a report, which shall be signed by the Buyer no later than five (5) calendar days from its submission. Should the Buyer refuse to sign the said report, the Buyer shall so notify GEMALTO in writing by substantiating the non-conformities within the same five (5) day period of time. Should the Buyer fail to sign the report without notifying GEMALTO as per above, the report signed by GEMALTO shall then have the same value and effect as if both parties had signed it.

8.4 Non-conformities evidenced during the acceptance testing shall be made good by GEMALTO within a reasonable time. Non-conformities not affecting the functional characteristics of the Products shall not constitute a ground for rejection thereof. Such non-conformities shall be corrected by GEMALTO before delivery.

8.5 Any and all costs incurred pursuant to inspections, and the lodging and travelling expenses of the Buyer's representative shall be borne by the Buyer.

9. **WARRANTY**

9.1 Subject to you complying with the remainder of these terms and conditions, GEMALTO hereby warrants the Products to be free from defects in materials and workmanship under normal use and service for a period of twelve (12) months from the date of delivery. The Buyer shall notify GEMALTO of the defects in writing within seven (7) calendar days after the defects are discovered, and the notice shall thoroughly describe the conditions under which the defect has arisen in order to facilitate the diagnostic of the defect. The Buyer must retain the Products at its premises unless requested by GEMALTO to return the Products to GEMALTO. GEMALTO will make arrangements with the Buyer for the Products to be evaluated. If the evaluation reveals a defect in the Products the defects of the Products returned by the Buyer will be made good at GEMALTO's expense by repair or replacement at GEMALTO's option. The property of the defective Products shall pass to GEMALTO upon delivery of the replacement. Should a part no longer be available, it will be replaced with a part that most closely matches it.

9.2 Transportation and insurance costs for defective parts returned to GEMALTO shall be at the Buyer's charge. Transportation and insurance costs for parts replaced or repaired by GEMALTO shall be at GEMALTO's charge. For the Products which have been replaced or repaired by GEMALTO hereunder, GEMALTO shall have the same liability as set out in this Article 9.1

9.3 The Products are provided "as is" and GEMALTO's warranty hereunder is strictly limited to the repair or replacement of defective parts. The above warranty shall apply only in as much as the Products have been used and maintained in compliance with GEMALTO's instructions for use.

9.4 This warranty shall not apply to consumable and extendible items (such as batteries, fuses...) and to defects arising from or connected with Buyer's failure to operate or maintain the Products in accordance with GEMALTO's specifications and documentation and generally with standard practices of product operations and shall not be applicable to defects arising from or connected with (i) any combination of the Products with equipment, material, products or systems not furnished, not approved or not specifically recommended by GEMALTO (ii) or any modification of the Products performed by others but GEMALTO (iii) or any accident, vandalism, negligence or handling errors causing damage to the Products (iv) or normal wear and tear (v) or defective installation, maintenance or storage (vi) technical maintenance or interventions on the Products other than those deemed necessary by GEMALTO.

9.5 For Products resold as is and components that GEMALTO purchases from suppliers, GEMALTO's warranty is strictly limited to the terms granted to GEMALTO by its suppliers.

9.6 GEMALTO does not and shall not warrant that the Products will be resistant to all possible attacks and shall not incur, and disclaims, any liability in this respect. Even if each Product is compliant with current security standards in force on the date of their design, the Buyer acknowledges that the resistance of the security mechanisms necessarily evolves according to the state of the art in security and notably under the emergence of new attacks. Under no circumstances, shall GEMALTO be held liable for any third party actions or claims and, in particular, in case of any successful attack against systems or equipments incorporating the Products.

9.7 The warranty in this clause and the rights and remedies of the Buyer hereunder are exclusive and in lieu of, and the Buyer hereby expressly waives, any other warranties, rights or remedies whether statutory, express or implied arising by law or otherwise with respect to any defects in or failures of the

Products. In particular, GEMALTO does not warrant that the Products will be resistant to all possible efforts to defeat or disable its functions, including its security mechanisms, and GEMALTO shall not incur, and disclaims, any liability in this respect.

10. LIABILITY

10.1 Subject to Articles 4, 8, and 9, the following provisions set out the entire financial liability of GEMALTO (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of

10.1.1 any breach of these conditions;

10.1.2 any use made or resale by the Buyer of any of the Products, or of any product incorporating any of the Products; and

10.1.3 any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.

10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.

10.3 Nothing in these conditions excludes or limits the liability of GEMALTO:

10.3.1 for death or personal injury caused by GEMALTO's negligence; or

10.3.2 for any matter which it would be illegal for GEMALTO to exclude or attempt to exclude its liability; or

10.3.3 for fraud or fraudulent misrepresentation.

10.4 Subject to Article 10.2 and Article 10.3, GEMALTO total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall not exceed either:

(i) the price of the Order giving rise to the claim; or

(ii) the total price actually paid to GEMALTO under the Contract during the six (6) months preceding the event leading to the claim for damages by the Buyer, whichever is smaller.

10.5 Subject to Article 10.2 and Article 10.3, To the maximum extent permitted by applicable law, GEMALTO shall not be, in any case whatsoever, liable to the Buyer, its officers, agents, employees, successors and/or assignees for:

10.5.1 loss of profits; or

10.5.2 loss of business; or

10.5.3 depletion of goodwill and/or similar losses; or

10.5.4 loss of anticipated savings; or

10.5.5 loss of goods; or

10.5.6 loss of contract; or

10.5.7 loss of use; or

10.5.8 loss of corruption of data or information; or

10.5.9 any special, indirect, consequential, incidental or pure economic loss, costs, damages, charges or expenses of whatsoever kind or nature arising out or in connection with the Contract; or

10.5.10 any loss, cost, damage, loss of revenue, loss of profit or loss of use, incurred or suffered by the Buyer or any third party resulting from a defect, infringement or alleged infringement, an incident, the failure of the Products or any failure to perform according to the Contract even if GEMALTO was advised of the possibility of such damages. The Buyer shall defend, indemnify, and hold GEMALTO harmless from and against any claim based on such damage, loss or cost.

10.6 Under no circumstances shall GEMALTO be liable to the Buyer for any damages resulting from or arising out of any illegal and/or fraudulent use of the Products by the Buyer, any third party or the end-user.

11. FORCE MAJEURE

11.1 GEMALTO shall not be in default if the performance of any of its obligations under the Contract is partly or wholly delayed or prevented by reason of Force Majeure.

11.2 "Force Majeure" shall mean any event beyond the reasonable control of GEMALTO such as, without limitation: acts of God, governmental decision, embargo, war or national emergency, hostilities, act of the public enemy, terrorist attacks anywhere in the world, riot, civil commotion, sabotage, fire, flood, explosion, epidemics, quarantine restriction, disturbances in supplies from normally reliable sources (including without limitation electricity, water, fuel and the like), strike (either at GEMALTO or its suppliers or subcontractors), lock-out and labour disturbances (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, or delay from a supplier or subcontractor facing a case of force majeure as defined herein.

11.3 In case of Force Majeure, GEMALTO shall give notice of the event to the Buyer and the time schedule for the performance of the Contract shall be automatically extended by the period of time as reasonably necessary for GEMALTO to overcome the consequences of such event.

11.4 If the performance in whole or part of any GEMALTO's obligation is delayed or prevented by reason of Force Majeure for a period exceeding three (3) months, GEMALTO may at any time without further liability to the Buyer, request termination of the Contract or any part thereof. The parties will then try to establish by mutual agreement a liquidation settlement, failing which the provisions of Article 15 shall apply. However, Force Majeure shall not prevent or delay the payment of any sum due or to be due by either Party.

12. RE-EXPORTATION

Should the Products be subject to export restrictions, the Buyer hereby undertakes not to sell, lend or deliver to any third party under any conditions whatsoever, with or without compensation, temporarily or permanently, the Products (including supplies and spares delivered in connection with the after sales support), documentation, operating manuals and information in any way whatsoever related to the Products, without the prior written consent of GEMALTO and/or the relevant competent authorities.

13 INTELLECTUAL PROPERTY, CONFIDENTIALITY AND INFRINGEMENT

13.1 The information and data (hereafter the "Information") contained in any document or support of information supplied by GEMALTO under the Proposal or the Contract shall remain GEMALTO's exclusive property along with all intellectual property rights (including but not limited to patent rights, copyrights, trademarks, designs) attached thereto. Therefore, no right, title or interest is transferred to the Buyer by the Contract in the names, trademarks, trade secrets, patents, pending patents, expertise, copyright and other intellectual property rights relating to the Products. In particular, to the extent that software is embedded in a Product, the sale of such Product shall not constitute the transfer of ownership rights or title in such software to Buyer, but, subject to the provisions set forth herein, shall only imply a non-exclusive and non-transferable license to Buyer under GEMALTO's intellectual property rights (i) to use such software in conjunction with and as embedded in the Products as supplied by GEMALTO, and (ii) to use such Product in or in conjunction with products of Buyer, if and to the extent infringement of GEMALTO's intellectual property rights necessarily results from applying one or more Products.

The Buyer shall not make any use of the Information other than for the purpose of the Contract or, as the case may be, installing, operating and/or maintaining the Products. GEMALTO retains and shall retain full ownership of all inventions, designs and processes made prior to or during the course of performance of any Contract resulting therefrom.

13.2 The Buyer shall keep the Information in strict confidence and shall not disclose any of the Information to any other person than the Buyer's employees who need to know such Information for the purposes stated in sub-Article 13.1. Any other disclosure shall be subject to GEMALTO's prior written approval.

13.3 Should a court or an arbitrator finally establish that there has been a patent infringement or should GEMALTO consider that the Products could be the subject of a claim or suit for infringement, GEMALTO may choose at its option one of the following solutions:

- to obtain the right for the Buyer to continue using the Products,
- to substitute equivalent products for the infringing Products,
- to modify infringing Products so as to eliminate the infringement.

13.4 Subject to Article 10, the foregoing states the entire liability and warranty of GEMALTO with respect to the infringement of any patent, copyright, trademark or trade secret or of any intellectual property right by the Products or any part thereof.

13.5 The Buyer on its part warrants that any design and/or instructions furnished or given by it shall not be such as will cause GEMALTO to infringe any intellectual property rights in the performance of the Contract. The Buyer shall, in this respect, hold harmless and protect GEMALTO in the same way as provided under sub-articles 13.3 and 13.4.

14. WASTE OF ELECTRICAL AND ELECTRONIC EQUIPMENT

14.1 Pursuant to the Directive 2002/96/CE on waste electrical and electronic equipment (WEEE), to the Directive 2002/95/CE on restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) and to the applicable national transposition legislation and/or regulations, the financing of the management of WEEE may be transferred from the manufacturer to the users.

14.2 Unless otherwise agreed in writing between Gemalto and the Buyer, the Buyer hereby accepts such charge and shall therefore:

- Be responsible for financing the collection, treatment, recovery, recycling and environmentally sound disposal of (i) all WEEE arising or deriving from the Products and (ii) all WEEE arising or deriving from products already on the market as of August 13, 2005 where such products are to be replaced by the Products and such products are of an equivalent type or are fulfilling the same function as that of the Products;
- Comply with all additional obligations placed upon the users by the WEEE regulations by virtue of the Buyer accepting the responsibility set out in this sub-article 14.2.

14.3 The above-mentioned obligations shall be passed on by successive professional buyers to the final user of the EEE, always under the Buyer's responsibility. Non compliance by the Buyer with the above-mentioned obligations may lead to the application of criminal sanctions, as laid down in the applicable national transposition legislation and/or regulations.

15. APPLICABLE LAW AND SETTLEMENT OF DISPUTES

15.1 The Proposal and the Contract shall be governed by and construed in accordance with English law, excluding its conflict of law provisions. The application of the United Nations Convention on Contracts for the International Sales of Goods (1980) shall be expressly excluded.

15.2 The English Courts shall have exclusive jurisdiction to resolve any and all disputes between the Parties arising out of or in connection with the existence, validity, construction, performance and/or termination of the Proposal and/or the Contract, which the Parties are unable to amicably resolve.

16. ASSIGNMENT

Neither GEMALTO nor the Buyer shall, without the express prior written consent of the other (which consent shall not be unreasonably withheld) assign to any third party the Contract or any part thereof, except that GEMALTO shall be entitled to assign the Contract or any part thereof to (i) any affiliated, group and/or sister company and, in particular, any monies due and payable to it

under the Contract (ii) any third party in connection with a merger, sale of substantially all of GEMALTO'S assets or a change of control.

17. GENERAL

17.1 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.

17.2 The parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.
