# End User License Agreement for iText and iTextSharp Software Version 5 and previous versions

1. DEFINITIONS. "Software" means the open-source software identified above in source or binary form, any other machine readable materials (including, but not limited to, libraries, source files, header files, and data files), any updates or error corrections provided by ISC, and any user manuals, programming guides and other documentation provided to You under this Agreement, including any revision of the software that contains maintenance releases or patches, or minor enhancements, or improvements of the software functionality which is designated by a change in the number to the right of the decimal point (e.g. fromversion 1.2 to version 1.3). As used herein "You" or "Yours" means Ricoh Production Print Solutions LLC.

2. LICENSE TO USE. Subject to the terms and conditions of this Agreement, ISC grants You a non-exclusive, non-transferable, fully paid up, worldwide, irrevocable, license to use the Software in support of the Products internally and externally, as described in section 3 (PROFESSIONAL LICENSE). It is agreed that in exchange for the license set forth herein, You will pay a license fee. The Software is licensed, not sold.

3. PROFESSIONAL LICENSE. You, and third party contractors or consultants working on behalf of You, may integrate the Software in any of Your software products or software applications (the "Products") within the constraints expressed in this EULA.

   A. If You purchased Server, Desktop or Android license(s): You will have a perpetual, royalty free, license to use and display the Software only as an integrated part of the Products or used with the Products or services.

   B. If You purchased SaaS-ASP-Hosted licence(s): You will have a subscription-based license to use and display the Software only as an integrated part of the Products or used with the Products or services.

   C. If You purchased OEM Server or Desktop license(s): You will have a perpetual, royalty free, license to distribute the Software only as an integrated part of the Products or used with the Products or services.

License fees may be different depending on the number of products. The fee value is specified in a separate quotation ("Order") attached hereto. You shall have the right to modify or create derivative works of the Software, or any other Software provided under this agreement ("Derivative Works") as long as you act in accordance with the terms of the given license. You shall own all right title and interest in such Derivative Works.

4. CONTINUITY OF THE RIGHT TO USE. In the event that ISC is granted or has been granted a patent or some similar intellectual property right relating to the use of the Software or the combined use of the Software with any other software, system, business method or process, ISC shall extend the license, as described in this agreement, and the license is hereby extended so that You have the world-wide, non-exclusive, royalty free, perpetual right to practice, use, and access any such patent or intellectual property right independently or in combination with the Software.

5. LICENSE VALIDITY. This EULA is valid only if the Products are a work that uses the Software, and does not compete with the Software in the marketplace.

6. INFRINGEMENT CLAIMS. ISC will indemnify and hold you harmless and will defend or settle any claim, suit or proceeding brought against you that is based upon a claim that the content contained in the Software infringes a copyright or a patent or violates an intellectual or proprietary right protected by United States or European Union law ("Claim"), but only to the extent the Claim arises directly out of the use of the Software. You must notify ISC in writing of any Claim within ten (10) business days after you first receive notice of the Claim, and you shall provide to ISC at no cost with such assistance and cooperation as ISC may reasonably request from time to time in connection with the defense of the Claim. ISC shall have sole control over any Claim (including, without limitation, the selection of counsel and the right to settle on your behalf on any terms ISC deems desirable in the sole exercise of its discretion). You may, at your sole cost, retain separate counsel and participate in the defense or settlement negotiations. ISC shall pay actual damages and costs awarded against you (or payable by you pursuant to a settlement agreement) in connection with a Claim to the extent such damages and costs are not reimbursed to you by insurance or a third party. Actual damages and costs are limited to the amount actually paid by You for the Software on this Order. If the Software or its use becomes the subject of a Claim or its use is enjoined, or if in the opinion of ISC's legal counsel the Software is likely to become the subject of a Claim, ISC shall attempt to resolve the Claim by using commercially reasonable efforts to modify the Software or obtain a license to continue using the Software. If in the opinion of ISC's legal counsel the Claim, the injunction or potential Claim cannot be resolved through reasonable modification or licensing, ISC, at its own election, may terminate this Agreement without penalty, and will refund to you on a pro rata basis any fees paid in advance by you to ISC. THE FOREGOING CONSTITUTES ISC'S SOLE AND EXCLUSIVE LIABILITY FOR INTELLECTUAL PROPERTY AND PATENT INFRINGEMENT.

7. RESERVATION OF RIGHTS AND OWNERSHIP. ISC reserves all rights not expressly granted to you in this EULA. The Software is protected by copyright and other intellectual property laws and treaties. Title to the Software, copyright and all associated intellectual property rights are retained by ISC and its licensors. No right, title or interest in or to any trademark, service mark, logo or trade name of ISC or its licensors is granted under this Agreement.

8. DISCLAIMER OF WARRANTY. UNLESS SPECIFIED IN THIS AGREEMENT ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT ARE DISCLAIMED, EXCEPT TO THE EXTENT THAT THESE DISCLAIMERS ARE HELD TO BE LEGALLY INVALID.

9. You acknowledge that the Software is not designed or intended for use in the design, construction, operation or maintenance of any nuclear facility. ISC disclaims any express or implied warranty of fitness for such uses.
10. LIMITATION OF LIABILITY. TO THE EXTENT NOT PROHIBITED BY MANDATORY LAW, IN NO EVENT WILL ISC OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF ISC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

In no event will ISC's liability to you, whether in contract, tort (including negligence), or otherwise, exceed the amount paid by you for the Software under this EULA. The foregoing limitations will apply even if the above stated warranty fails of its essential purpose. Some states and countries do not allow the exclusion of incidental or consequential damages, so some of the terms above may not be applicable to you.

11. TERMINATION. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of the Software. This Agreement will terminate immediately without notice from ISC if you fail to comply with any provision of this Agreement.
12. EXPORT REGULATIONS. All Software delivered under this Agreement is subject to US export control laws and may be subject to export or import regulations in other countries. You agree to comply strictly with all such laws and regulations and acknowledge that you have the responsibility to obtain such licenses to export, re-export, or import as may be required after delivery to you.
13. DOWNLOADED SOFTWARE. Software downloaded or otherwise ordered through a website shall be deemed purchased through an Order hereunder. In the event of a conflict between the terms of this agreement and the terms of a Software Order, except with respect to any provision of this Agreement which explicitly states that it may be modified or superseded by an analogous provision in a Software Order, the terms of this agreement shall govern. In no event shall the terms and conditions included with the Software or on a website from which the Software is downloaded supersede the terms and conditions of this Agreement.
14. USE OF NAME. Each party agrees that it will not directly or indirectly, without the prior written consent of the other party issue a press release related to the other party or use for the purposes of advertising, promotion, or publicity, or otherwise, the name of the other party or any of its divisions, subsidiaries or affiliates, or any trademarks, trade names, service marks, symbols or any abbreviation thereof, of the other party or of any of its divisions, subsidiaries or affiliates.
15. GOVERNING LAW. For US-based licensees, any action related to this Agreement will be governed by California law and controlling US federal law for US-based licensees; The parties hereby consent to the exclusive jurisdiction of any state or federal court located within San Mateo County, California, and agree that all actions or proceedings relating to this EULA shall be litigated in such courts, and each of the parties waives any objection which it may have based on improper venue or forum non conveniens to the conduct of any such action or proceeding in such court. For licensees outside the US, any action related to this Agreement will be governed by Belgian law and exclusively submitted to the courts of Ghent, Belgium. No choice of law rules of any other jurisdiction will apply.

16. SEVERABILITY. If any provision of this Agreement is held to be unenforceable, this Agreement will remain in effect with the provision omitted, unless omission would frustrate the intent of the parties, in which case this Agreement will immediately terminate.

17. INTEGRATION. This Agreement is the entire agreement between you and ISC relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgement, or other communication between the parties relating to its subject matter during the term of this Agreement. No modification of this Agreement will be binding, unless in writing and signed by an authorized representative of each party.
